

**MENU OF SERVICES**

**FOCUSED ON YOUR SUCCESS**

**COMPLIANCE**  
(HINDSIGHT)

Our compliance services provide accurate and timely financials to keep you organized and support growth. We package them with online-based programs to provide an integrated accounting system.

**PRIMARY SERVICES INCLUDE:**  
Tax preparation and planning  
Accounting and reporting  
Payroll and bill payment

**PERFORMANCE**  
(INSIGHT)

Our performance services are based upon the sourced Controller concept in which you gain professional services at a fraction of the cost of a full-time controller. Expand access to the skills and experience necessary to manage your business or organization.

**PRIMARY SERVICES INCLUDE:**  
Business performance review  
Budgeting and projections  
Profit improvement strategies

**STRATEGIC**  
(FORESIGHT)

LSL's strategic CFO services are designed to help you clarify your vision, think, plan and grow. Focus your priorities and allocate resources. Develop a plan that builds consensus, accountability and acceleration of your growth.

**PRIMARY SERVICES INCLUDE:**  
Strategic planning  
Business exit planning  
Mergers and acquisitions consulting

**SERVICES**

**When you think of forward progress in a business or organization, often the processes and forecasting can take a back seat to sales and production. In fact, finance needs equal footing.**

LSL CPAs help you stay focused on a well-organized finance function that grows with you.

With a team of professionals dedicated to your success, we offer services that integrate and broaden your financial due diligence, accountability and vision:

- Compliance
- Performance
- Strategic

Choose from a full menu of services with fixed price value creation agreements and/or subscription pricing.

*LSL is ready to assist you to gain and retain wealth. Call us to assess which combination of services fits your needs now, and where you're headed tomorrow.*
