

Do you like a lot of **OPTIONS?**

No matter your industry or type of business, you want a flexible accounting firm to match your goals and growth. You want services focused on you.

Auditing & Attestation

LSL CPAs matches the appropriate level of audits, reviews or compilations according to your business or organizational needs. We can act as a third-party auditor or as an extension of your organization for oversight and monitoring.

Business Advisory

As your business anticipates transitions, LSL CPAs stays one step ahead to provide the reporting, industry insights and resources to guide you. This includes concerns like financial staff recruitment, data security or fraud mitigation.

Taxes & Planning

LSL CPAs serves individual owners, partnerships, corporations, LLCs, government entities and not-for-profits. Tax minimization and planning strategies lead to a variety of consulting as well as tax research and representation when you need it.

Accounting & Financial

Accounting and financial consulting support the set-up and processes of accounting departments, including staff training and reporting tools. Choose outsourced bookkeeping, accounting services and account analysis to improve cash flow.

ONE CHOICE. MANY SERVICES.

Get simple services now to fit your budget. Get referrals to experts as you need them. Plan ahead for more strategic advice that avoids surprises.

As a member of Praxity, the world's largest alliance of independent accounting firms, LSL CPAs gives you global access to dream big.

With comprehensive accounting, attest and business advisory resources, you also gain the convenience of wealth management and estate planning services through LSL's strategic alliance with BarthCalderon, LLP.
