

BACKPACKS FOR SUCCESS!

Thanks to you, the students in these photos now have backpacks filled with supplies, ready to take on the school year! You've shown them there are plenty of people across Orange County (and beyond!) that support them and their success. Now they have the tools to empower themselves and continue to grow.

With basic items like pens up 12% and glue up 30%, families are spending more on fewer items. And despite record inflation we were still able to provide **2,899 backpacks** to students in need. Thank you for your continued support and partnership as even basic necessities are becoming more out of reach for low-income families. We have highlighted a few donors here and are so grateful for all those who have participated.

Please check out below for more Backpacks for Success 2022 Information and Photos!

THANK YOU:

**for providing over 300 filled
backpacks**

At one of our distributions, a 2nd grader exclaimed "WOW! Look at all of these new things for school!" She was very excited about the having a water bottle and new colors to show off.

Thanks to you, thousands of students were able to feel the same!
